

Trial Licence Application Form

[The Grant of Right of Use of Spectrum for Trial Purpose] this only to be used when the trial technology requires spectrum use.

Notes for Applicants

1. This form outlines the information required to apply for a Trial Licence. In certain cases, the Telecommunications Regulatory Authority (hereinafter the "TRA") may seek further information or clarification from the applicant.
2. Applications for a Trial Licence should be sent by e-mail to the following address: licensing@tra.org.bh
3. The application form cannot be processed by the TRA unless all relevant sections of the application forms are completed.
4. This Form should be attached with the relevant application form(s) such as Point to Point Fixed Links. Both forms should be provided together.
5. There is no reimbursement for any modification to the assigned frequency.
6. A copy of the Commercial Certificate needs to accompany the application.
7. A non-refundable application fee of BD 30 is payable for all types of applications except for deletion requests irrespective of whether the application is approved or not.
8. Applicants should note that:
 - Information provided by them may be made available to other government departments and entities;
 - Information provided in the answer to the questions in this application form may be passed to international bodies or other governments in accordance with commitments entered into by the government of the Kingdom of Bahrain;
 - The authorized person is responsible of any communication between TRA and the Applicant in relation to invoicing or any required information; and
 - The number of participants shall not exceed 100 participants in total.
9. Any false statement, misrepresentation or concealment of material fact on this form or on any other document presented in support of this application may lead to the licence being refused or revoked.
