

Annex 2 Consultation Questions

Question 1:

Do you have any comments on the general approach taken by the Discussion Draft of the Authority's Position Paper in relation to the licensing of certain OTT voice and messaging services? Please provide reasons for your answer.

Question 2:

Do you have any specific comments on particular points made in the Discussion Draft? If so, please indicate the relevant paragraph(s).

Question 3:

Do you agree with the distinction that has been drawn between number-based services and number-independent services and the corresponding regulatory treatment for both?

Question 4:

Are there any relevant issues that are not covered by the Discussion Draft that you believe should be addressed?
